Annex to the letter dated 16 February 2006 from the Permanent Representative of Georgia to the United Nations addressed to the Secretary-General

Resolution of the Parliament of Georgia on the current situation and conduct of peacekeeping operations in the Former Autonomous Region of South Ossetia

The Parliament of Georgia, in accordance with paragraph 2 of the resolution of the Parliament of Georgia No. 1927-II of 11 October 2005, on the current situation in the conflict regions on the territory of Georgia and ongoing peace operations, has conducted hearings on the report of the Government of Georgia concerning the current situation in the former autonomous district of South Ossetia and the fulfilment of duties undertaken by peacekeeping forces deployed in the region.

Following the above-mentioned report, the Parliament of Georgia decides:

1. To assess extremely negatively the fulfilment of the obligations under the mandate undertaken by the peacekeeping forces deployed in the former autonomous district of South Ossetia, as well as to assess actions of the Russian Federation as an ongoing attempt at annexation of this region of Georgia;

2. To instruct the Government of Georgia to enact procedures for starting the implementation of the provisions of paragraphs 4 and 6 of the resolution of the Parliament of Georgia No. 1927-II of 11 October 2005, including the revision of the Sochi Agreement of 24 June 1992, aimed at replacing peacekeeping forces of the Russian Federation deployed in the former autonomous district of South Ossetia by an effective international peacekeeping operation;

3. To instruct the Government of Georgia to intensify cooperation with international organizations and partner States to elaborate a new format of conflict resolution, in order to avoid possible destabilization attempts on the territory of the former autonomous district of South Ossetia, to secure peace and stability in the conflict zone, to halt massive violations of basic principles of human rights and freedoms and to launch a genuine peaceful conflict settlement process;

4. To instruct the Government of Georgia, with a view to a comprehensive, peaceful, political settlement of the conflict on the territory of the former autonomous district of South Ossetia, to increase further its active cooperation with international organizations and partner States to launch the implementation of the peace plan approved by the Ministers for Foreign Affairs of States members of the Organization for Security and Cooperation in Europe;

5. To instruct the Government of Georgia to provide the international organizations, the Russian Federation and partner States with factual information on the situation in the former autonomous district of South Ossetia and the fulfilment of the duties of the peacekeeping forces deployed there.
